QUESTION 2:

Sheet 1.06 of project manual letter "C" notes out coordination of cctv and access control.

Please specify equipment brand to be used.

SEE QUESTIONS & ANSWERS

QUESTION 3: Finish schedule for tower stairs calls out for Luxury tile. Please specify if each landing ought to have Luxury tile at the landing but not the steps?

Luxury tile at landings and steps (tread, riser and landing tiles).

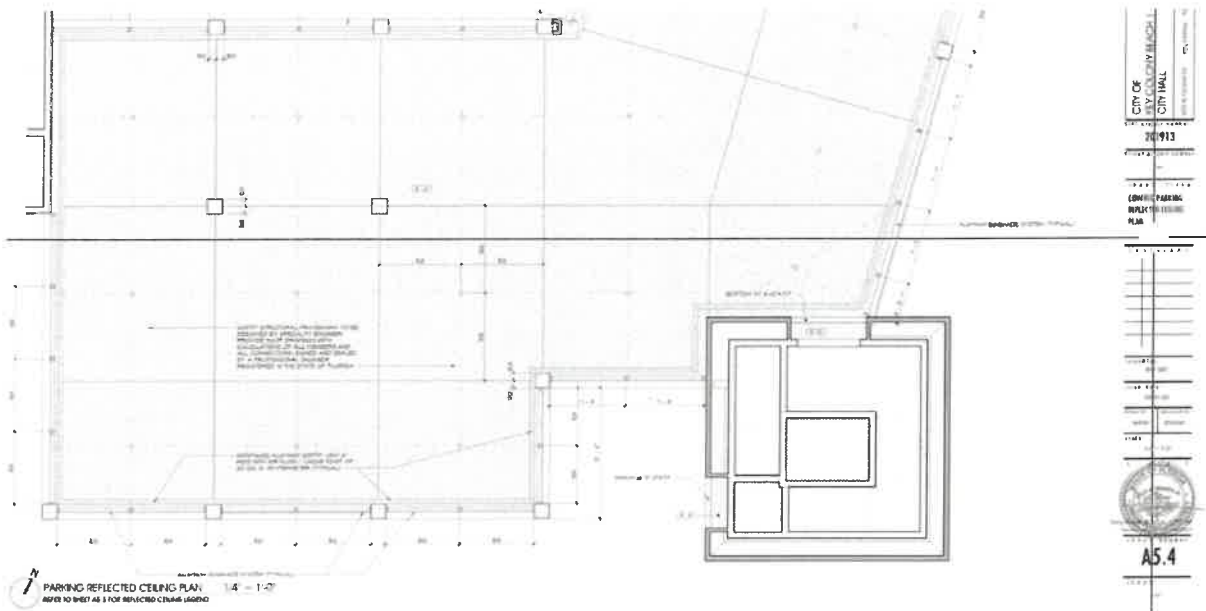

Can we use specifically Dens Glass board? **No, use cement board as called out in drawings**

QUESTION 5:

Sheet A5.4 shows structural soffit. Can we show this as an allowance since we cant possible estimate this without a bid award and contract which allow GC to actually hire a structural engineer to design the soffit. We will consider for now 18 gage framing at 16 o.c. and 2 1/2" hihats at 24 o.c. in the opposite direction. This will be the basis of our allowance if accepted with this question

This is acceptable.

All tile sizes and brand are to be selected by owner. This question will be answered by the owner's representative. See Questions & Answers

QUESTION 7:

Sheet A 10.2 Stair border is shown but not identify. Please clarify
Vinyl base is called out in finish schedule on sheet A6.0

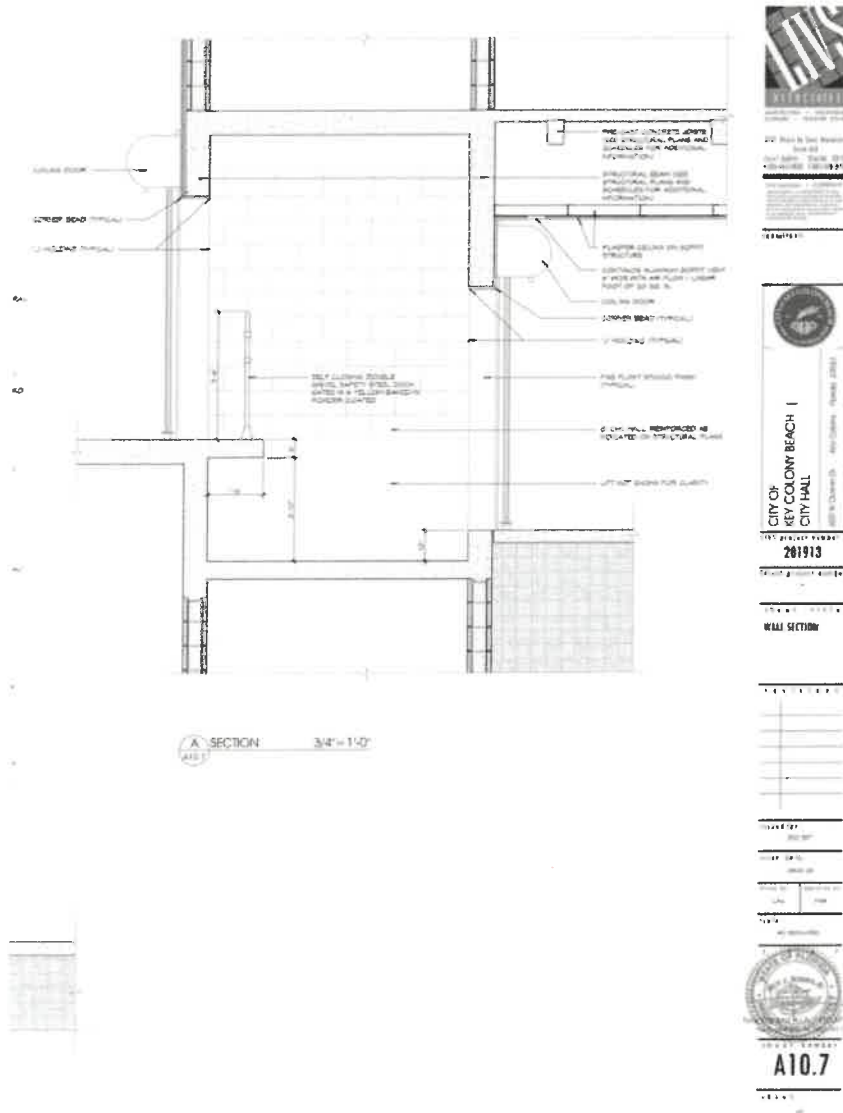

QUESTION 8:

Sheet A10.2. Section through elevator shaft is not shown.

1. Please provide section showing hoist beam detail and connection to beam
2. Please provide depth of elevator pit
3. Elevator manufacturer is not specified not capacity

1. Refer to section 2/S3.0 and detail 6/S2.1
2. Refer to section 2/S3.0
3. Refer to specification section 14240 for manufacturer.

Lift shall be provided and installed by GC. Refer to specification 11130 for manufacturer.

QUESTION 10:

Sheet E6.0A shows generator but no remote fueling. Please specify no remote fueling will be needed.

No remote fueling will be needed.

QUESTION 11:

Please confirm no BDA system will be needed on this project.

A Bi-Directional Amplifier system is not needed.
