

1. Section 00300 Bid form is missing a place to list our Total Lump Sum figure. Please advise.
2. Does the City intend to issue a revised Bid Form 00300 as the schedule of values format included in the Bid Form is typically used as a pay application to the owner and is not properly formatted for bidding purposes? The form is also labeled "to be used by the Selected Bidders"?
  1. Bidders may input the total lump sum amount of their bid on a separate document or cover letter.
  2. No.
